VALUATION

"Exchange Business Day" means any Scheduled Trading Day on which each Exchange and each Related Exchange are open for trading during their respective regular trading sessions, notwithstanding any such Exchange or Related Exchange closing prior to its Scheduled Closing Time.

"Scheduled Closing Time" means, in respect of an Exchange or Related Exchange and a Scheduled Trading Day, any scheduled weekday closing time of such Exchange or Related Exchange, without regard to after hours or any other trading outside of the regular trading session hours.

"Scheduled Trading Day" means any day on which each Exchange and each Related

Exchange are scheduled to be open for trading.

"Valuation Time" means the Scheduled Closing Time on the relevant Valuation Date or Averaging Date, as the case may be, in relation to each Share to be valued. Subject to the Market Disruption provisions below, if the relevant Exchange closes prior to its Scheduled Closing Time and the specified Valuation Time is after the actual closing time for its regular trading session, then the Valuation Time shall be such actual closing time.

"Valuation Date Provisions"

If any Valuation Date is a Disrupted Day then the Valuation Date for each Share comprised in the Basket shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day for all the Shares comprised in the Basket, unless each of the eight Scheduled Trading Days immediately following the Scheduled Valuation Date is a Disrupted Day for all the Shares comprised in the Basket. In that case, (i) that eighth Scheduled Trading Day shall be deemed to be the Valuation Date for each Share comprised in the Basket, notwithstanding the fact that such day is a Disrupted Day, and (ii) the Calculation Agent shall determine its good faith estimate of the value for each Share comprised in the Basket as of the Valuation Time on that eighth Scheduled Trading Day.

"Scheduled Valuation Date" means any original date that, but for the occurrence of an event causing a Disrupted Day, would have been a Valuation Date.

"Disrupted Day" means any Scheduled Trading Day on which any Exchange or any Related Exchange fails to open for trading during its regular trading session or on which a Market Disruption Event has occurred. The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the parties or other party, as the case may be, of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day, would have been a Valuation Date. Without limiting the obligation of the Calculation Agent to notify the parties as set forth in the preceding sentence, failure by the Calculation Agent to notify the parties of the occurrence of a Disrupted Day shall not affect the validity of the occurrence and effect of such Disrupted Day.

MARKET DISRUPTION

(a) **Market Disruption Event.** "Market Disruption Event" means the occurrence or existence of (i) a Trading Disruption, (ii) an Exchange Disruption, which in either case if the Calculation Agent determines is material, at any time during the one hour period that ends at the relevant Valuation Time, or (iii) an Early Closure.

(b) **Trading Disruption.** "Trading Disruption" means any suspension of or limitation imposed on trading by the relevant Exchange or Related Exchange or otherwise and whether by reason of movements in price exceeding limits permitted by the relevant Exchange or Related Exchange or otherwise, (i) relating to the Share on the Exchange, or (ii) in options contracts or futures contracts relating to the Share on any relevant Related Exchange.

(c) **Exchange Disruption.** "Exchange Disruption" means any event (other than an Early Closure) that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general to (i) effect transactions in or obtain market values for the Shares on the Exchange, or (ii) to effect transactions in options contracts or futures contracts relating to the Share or the relevant Index on any relevant Related Exchange.

(d) **Early Closure.** "Early Closure" means the closure on any Exchange Business Day of the Exchange or any Related Exchange(s) prior to its Scheduled Closing Time unless such earlier closing time is announced by such Exchange(s) or Related Exchange(s) at least one hour prior to the earlier of (i) the actual closing time for the regular trading session on such Exchange(s) or Related Exchange(s) on such Exchange Business Day and (ii) the submission deadline for orders to be entered into the Exchange or Related Exchange system for execution at the Valuation Time on such Exchange Business Day.

ADJUSTMENTS

Following the declaration by the Share Issuer of the terms of any Potential Adjustment Event, the Calculation Agent will determine whether such Potential Adjustment Event has a diluting or

concentrative effect on the theoretical value of the relevant Shares and, if so, will (i) make the corresponding adjustment(s), if any, to any terms of the Note as the Calculation Agent determines appropriate to account for that diluting or concentrative effect (provided that no adjustments will be made to account solely for changes in volatility, expected dividend, stock loan rate or liquidity) and (ii) determine the effective date(s) of the adjustment(s). The Calculation Agent may (but need not) determine the appropriate adjustment(s) by reference to the adjustment(s) in respect of such Potential Adjustment Event made by an options Exchange to options on the relevant Shares traded on such options exchange.

"Potential Adjustment Event" means any of the following:

- (i) a subdivision, consolidation or reclassification of relevant Shares (unless resulting in a Merger Event), or a free distribution or dividend of any such Shares to existing holders by way of bonus, capitalization or similar issue;
- (ii) a distribution, issue or dividend to existing holders of the relevant Shares of (A) such Shares, or (B) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the Share Issuer equally or proportionately with such payments to holders of such Shares, or (C) share capital or other securities of another issuer acquired or owned (directly or indirectly) by the Share Issuer as a result of a spin-off or other similar transaction, or (D) any other type of securities, rights or warrants or other assets, in any case for payment (cash or other consideration) at less than the prevailing market price as determined by the Calculation Agent;
- (iii) an Extraordinary Dividend;
- (iv) a call by the Share Issuer in respect of relevant Shares that are not fully paid;
- (v) a repurchase by the Share Issuer or any of its subsidiaries of relevant Shares whether out of profits or capital and whether the consideration for such repurchase is cash, securities or otherwise;
- (vi) with respect to the Share Issuer, an event

that results in any shareholder rights pursuant to a shareholder rights plan or arrangement directed against hostile takeovers that provides upon the occurrence of certain events for a distribution of preferred stock, warrants, debt instruments or stock rights at a price below their market value (as determined by the Calculation Agent) being distributed or becoming separated from shares of common stock or other shares of the capital stock of the Share Issuer (provided that any adjustment effected as a result of such an event shall be readjusted upon any redemption of such rights); or

(vii) any other event that may have a diluting or concentrative effect on the theoretical value of the relevant Shares.

EXTRAORDINARY EVENTS

If a Share-for-Share Tender Offer, Share-for-Combined Tender Offer, Share-for-Share Merger Event or a Share-for-Combined Merger Event occurs in relation to a Share (such Share being a "Disrupted Share") and the Share Issuer of the New Shares is not already an Share Issuer, then, on or after the relevant Merger Date or Tender Offer Date the Calculation Agent shall adjust the Share Basket to include the relevant quantity of the New Shares to which a holder of the Share immediately prior to the occurrence of the Merger Event or Tender Offer would be entitled upon consummation of the Merger Event or Tender Offer. Accordingly:

- (i) the New Share and its issuer will be deemed a "Share" and an "Share Issuer" respectively
- (ii) the Calculation Agent will adjust the Initial Price for such New Share so that the ratio of the Spot Price for that New Share to the Initial Price for the New Share equals the ratio of the Spot Price for the Disrupted Share to the Initial Price for the Disrupted Share immediately prior to the occurrence of the Merger Event or Tender Offer, and if necessary, the Calculation Agent will adjust any other relevant terms accordingly

If a Share-for-Other Tender Offer, Share-for-Other Merger Event, or a Share-for-Share Tender

Offer, Share-for-Combined Tender Offer, Share-for-Share Merger Event or a Share-for-Combined Merger Event where the issuer of the New Shares is a Share Issuer, occurs in relation to a Share (such Share being a "Disrupted Share"), then, on or after the relevant Merger Date or Tender Offer Date, the Calculation Agent shall adjust the Share Basket by substituting the Disrupted Share in the Share Basket with a Replacement Share (as defined below) upon consummation of the Merger Event or Tender Offer. Accordingly:

- (i) the Replacement Share and its issuer will be deemed a "Share" and a "Share Issuer" respectively,
- (ii) the Calculation Agent will adjust the Initial Price for such Replacement Share so that the ratio of the Spot Price for that Replacement Share to the Initial Price for the Replacement Share equals the ratio of the Spot Price for the Disrupted Share to the Initial Price for the Disrupted Share immediately prior to the occurrence of the Merger Event or Tender Offer, and if necessary, the Calculation Agent will adjust any other relevant terms accordingly

If a Nationalisation, Insolvency or De-listing occurs in relation to a Share (such Share being a "Disrupted Share"), the Calculation Agent shall substitute the Disrupted Share in the Share Basket with a Replacement Share (as defined below) on the effective date of such event. Accordingly:

- (i) the Replacement Share and its issuer will be deemed a "Share" and a "Share Issuer" respectively,
- (ii) the Calculation Agent will adjust the Initial Price for such Replacement Share so that the ratio of the Spot Price for that Replacement Share to the Initial Price for the Replacement Share equals the ratio of the Spot Price for the Disrupted Share to the Initial Price for the Disrupted Share immediately prior to the occurrence of such event, and, if necessary, the Calculation Agent will adjust any other relevant terms

accordingly

Either party will, upon becoming aware of the occurrence of a Merger Event, Tender Offer, Nationalisation, Insolvency or De-listing notify the other party of the occurrence of the Merger Event, Tender Offer, Nationalisation, Insolvency or De-listing, as the case may be. The Calculation Agent shall give notice as soon as practicable to the security holders stating the occurrence of the Merger Event, Tender Offer, Nationalisation, Insolvency or De-listing, as the case may be, giving details thereof and the action proposed to be taken in relation thereto. However, security holders should be aware that there may necessarily be some delay between the time at which any of the above events occur and the time at which it is notified to security holders.

“Replacement Share” means, in the determination of the Calculation Agent in its sole discretion, the share with the highest free-float capitalisation in the same Industry Sector and the same Region as that of the Disrupted Share on the Merger Date or Tender Offer Date or the relevant effective date, as applicable, such free-float and capitalisation as announced by the Morgan Stanley Capital Index (“MSCI”).

“Spot Price” means: (i) in relation to a Share that is a Disrupted Share, the last official closing price for such Share on the relevant Exchange (as determined by or on behalf of the Calculation Agent) immediately prior to the relevant Share-for-Share Tender Offer, Share-for-Combined Tender Offer, Share-for-Other Tender Offer, Share-for-Share Merger Event, Share-for-Combined Merger Event, Share-for-Other Merger Event, Nationalisation, Insolvency or De-listing (each as defined above), and (ii) in relation to a Share that is a Replacement Share or a New Share, the last official closing price for such Share on the relevant Exchange (as determined by or on behalf of the Calculation Agent) on the following day to the effective date of the relevant Share-for-Share Tender Offer, Share-for-Combined Tender Offer, Share-for-Other Tender Offer, Share-for-Share Merger Event, Share-for-Combined Merger Event, Share-for-Other Merger Event, Nationalisation, Insolvency or De-listing (each as defined above);

MSCI and in respect of a Replacement Share, the industry sector allocated to such Replacement Share by MSCI.

"Region" means, in respect of a Share, the region (either "USA", "Asia" or "Europe") in which the Share Issuer is incorporated and, in respect of a Replacement Share, the region (either "USA", "Asia" or "Europe") in which the issuer of such Replacement Share is incorporated.

The Initial Price of the Replacement Share will be calculated following this formulae:

Initial Price of Replacement Share = Spot PriceRS * Ratio

Spot PriceRS = Replacement Share Spot Price =
The last official closing price for such Share on the relevant Exchange (as determined by or on behalf of the Calculation Agent) on the following day to the effective date of the relevant Share-for-Share Tender Offer, Share-for-Combined Tender Offer, Share-for-Other Tender Offer, Share-for-Share Merger Event, Share-for-Combined Merger Event, Share-for-Other-Event, Nationalisation, Insolvency or De-listing.

Ratio = Initial Price of Disrupted Share/ Spot PriceDS

Spot PriceDS = Disrupted Share Spot Price =
The last official closing price for such Share on the relevant Exchange (as determined by or on behalf of the Calculation Agent) immediately prior to the relevant Share-for-Share Tender Offer, Share-for-Combined Tender Offer, Share-for-Other Tender Offer, Share-for-Share Merger Event, Share-for-Combined Merger Event, Share-for-Other Merger Event, Nationalisation, Insolvency or De-listing.

or into another entity or person (other than a consolidation, amalgamation, merger or binding share exchange in which such Share Issuer is the continuing entity and which does not result in a reclassification or change of all of such Shares outstanding), (iii) takeover offer, tender offer, exchange offer, solicitation, proposal or other event by any entity or person to purchase or otherwise obtain 100% of the outstanding Shares of the Share Issuer that results in a transfer of or an irrevocable commitment to transfer all such shares (other than such shares owned or controlled by the offeror), or (iv) consolidation, amalgamation, merger or binding share exchange of the Share Issuer with or into another entity in which the Share Issuer is the continuing entity and which does not result in a reclassification or change of all such Shares outstanding but results in the holders of the outstanding Shares (other than Shares owned or controlled by the offeror) immediately prior to such event collectively owning less than 50% of the outstanding Shares (assuming that all securities are converted into, or exchanged for, Shares) immediately following such event (a "Reverse Merger"), in each case if the Merger Date is on or before the final Valuation Date.

"Tender Offer" means a takeover offer, tender offer, exchange offer, solicitation, proposal or other event by any entity or person that results in such entity or person purchasing, or otherwise obtaining, by conversion or other means, greater than 10% and less than 100% of the outstanding voting shares of the Share Issuer, as determined by the Calculation Agent, based upon the making of filings with governmental or self-regulatory agencies or such other information as the Calculation Agent deems relevant.

For the avoidance of doubt, it will constitute a De-listing if (a) the Exchange is located in the United States and the Shares are not immediately re-listed, re-traded or re-quoted on any of the New York Stock Exchange, the American Stock Exchange or the NASDAQ National Market System (or their respective successors); and (b) the Exchange is within the European Union, and the Shares are not immediately re-listed, re-traded or re-quoted on any of the exchanges or quotation systems located in Austria, Belgium, Denmark, Finland, France, Germany, Ireland, Italy, Luxembourg, the Netherlands, Norway, Portugal, Spain, Sweden, Switzerland or the United Kingdom.
